

# Halco Distributor Sample Request Form

Need a sample?

Halco fixtures, lamps and ballasts are available for display at counter areas, showrooms, training facilities or for use by outside distributor sales representatives. Please use this form to request Halco samples from your Regional Sales Manager.

Halco's Distributor partners are eligible to receive a sample of each fixture family – not color temperature or size - per distributor location free of charge as requested. Halco lamp and ballast samples are available to distributors when approved by a Halco Regional Sales Manager.

**Please specify the desired sample products and complete the account information below.**
