

FOR IMMEDIATE RELEASE

Halco Lighting Technologies® Unveils New Products at LIGHTFAIR

Norcross, GA. May 11, 2015 - Halco Lighting Technologies® revealed the company's latest advancements in fixtures and lamps at LIGHTFAIR International held May 5-7 at the Javits Center in New York City.

Halco featured an all LED booth highlighting the company's focus on energy efficient technology. In addition to displaying ProLED® Panel & Volumetric Panel Lights, Halco's showed an expanded LED fixture presence. Halco introduced new ProLED® 4" & 6" Downlight Retrofit Kits with Replaceable Decorative Trims and a new line of LED Outdoor Floodlights, Wallpacks, Vaportights, Canopy and Dusk-to-Dawn fixtures. Halco also showed new ProLED lamps - HID Retrofit, IP65 Rated 90 CRI and ENERGY STAR® LED PAR, Direct T8 and MR16.

For more information on Halco's LED fixture and ProLED lamp offering visit www.halcolighting.com or contact Halco Customer Care at 800-677-3334 or customer care@halcolighting.com.
