Halco Lighting adds new Operations Manager – Specialty Lighting

Please join us in welcoming **Nicholas Romero** who starts today as our Operations Manager for our Specialty lighting division based in Irvine, CA. Nic comes to us with over (15) years of production and warehousing management experience and most recently was the Production supervisor for Berry Plastics for the past two years.

Nicholas will assume day to day leadership of our assembly and warehouse team in CA and will report directly to Samir Shah, VP/GM.

Welcome aboard, Nicholas!
