

Halco Lighting Welcomes Three New Agencies

Halco Lighting Technologies, a leading manufacturer lighting solutions including energy efficient LED lamps, luminaires and ballasts, is pleased to announce the appointment of three new sales agencies for Southern California effective August 28, 2017. CRI Lighting will provide sales coverage for San Diego and Imperial Counties. Mar Vista Sales will cover Kern, San Luis Obispo, Ventura, and Santa Barbara Counties. Performance Lighting Sales will cover Los Angeles, San Bernardino, Riverside and Orange Counties. See map below.

"Halco Lighting has always relied on strong sales representation to provide great product and technical support directly to our customers," stated Ed Weaver, vice president of sales for Halco. "We're confident these three companies will continue that tradition of delivering great products through great service and support."
