IP65 Rated luminaires are rated for use outdoors where exposed directly to water from rain or irrigation.

\* Useful Life is defined as the point in time at which the luminaire will maintain at least 70% of its initial lumens. The luminaire will continue to burn past this point, but at decreased light levels.

Warranty – Commercial / Industrial: This product is warranted for 5 years from the date of purchase. Mounting hardware included with all luminaires.

\*\* Check the latest update at [www.DesignLights.org](http://www.DesignLights.org) for listed product catalog numbers. Not all versions are listed.
